

How did it go? General impressions.	
What interview questions were asked?	
Which questions did I respond well to?	
Which questions could I have better prepared for?	
Is there anything I failed to mention that might be important for the interviewer to know?	
Who did I meet with? Did I get their names (and ideally, their contact information)?	
What else went well?	
Where could I have done better?	
Other general impressions	
Any follow up actions to take, and by when
