

Introduction to Technology Stewardship Worksheets

Understanding the Tools Landscape: Exercises

Look at the table below and read the activity descriptions. Then turn to the next set of pages and circle the ICT tool from the Tools Landscape chart that best fits each of the described activities.

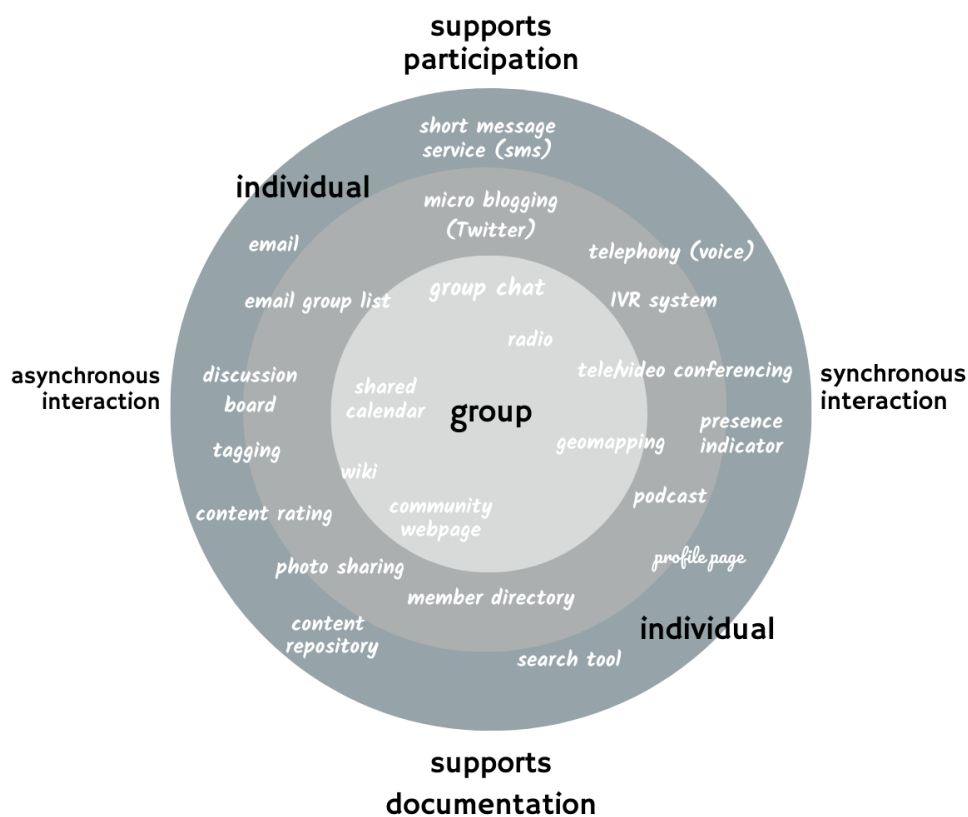

Note: In some examples there may be more than one ICT tool that is required to support the activity.

Exercise	Campaign Description
A	A radio station runs a campaign and asks its listeners to send questions for its weekly farm radio broadcast;
B	The community members want to be able to report any risks or hazards they observe in the area. They would like to see these reports plotted on a map and posted on the Internet for government officers to see;
C	Farmers would like to be able to have easy access to real-time market prices on crops;
D	An extension officer wants to create a collection of images and short video clips in response to questions from farmers about their crops. The officer would like farmers to be able to rate and comment on the items in the collection.
